## We're here to serve you

This administration guide is designed to help you explain the plan to your members. It also serves as your reference source, and it includes a brief description of administrative procedures.

Your role in the administration of your organization's employee retirement plan is an important one. If you have any questions about your plan with us, or your role as Treasurer, you can connect with your Customer Service Specialist by emailing [grscbpp@canadalife.com](mailto:grscbpp@canadalife.com). Ensure to include the word "Savings" in the email subject line.

## Who to contact for help

Questions on the day to day administration of your plans such as:

1. Assist a member with enrolling into the pension plan
2. Sending in contributions
3. Terminating or retiring a member from the plan
4. Queries on member contributions
5. Change of Treasurer or updating the current Treasurer information

Contact your Canada Life Customer Service Specialist team, using [grscbpp@canadalife.com](mailto:grscbpp@canadalife.com). Include the word "**Savings**" in your email subject line or call **1-833-552-3700**.

If plan members have questions about their account, they should contact Canada Life at 1-833-900-3853, weekdays between 8am and 8pm ET.

Members can also view their account online anytime at [www.mycanadalifeatwork.com](http://www.mycanadalifeatwork.com).

## Access to plan information through our website

New Treasurers need to be added to the plan before Canada Life can send the website ID and password letters to you. Email your Customer Service Specialist at [grscbpp@canadalife.com](mailto:grscbpp@canadalife.com) to notify that you are new to the church as Treasurer. Ensure to specify the name of the church you are representing. Your Customer Service Specialist will ask if you are replacing another Treasurer, in the event Canada Life needs to remove the previous Treasurer's information from the plan.

As Treasurer, you'll be registered for access to the Canada Life administrator website, [www.grsaccess.com](http://www.grsaccess.com), when Canada Life adds your name and contract information to the plan.

You'll receive your Access ID and password letters in the mail, and once you receive those letters, you can log into [grsaccess.com](http://grsaccess.com) to see the plan online.

Visit [www.grsaccess.com](http://www.grsaccess.com) - Online access for Treasurers

What's available for you at [www.grsaccess.com](http://www.grsaccess.com)

Once you receive your logon credentials, you'll have access to:

- A summary of your contributions for a selected time period
- Administrative functions such as producing Guest access, sending contributions etc
- Approve members who enrol online
- Update termination of employment/retirement dates

## Adding new members

### Member enrolment in your RPP

To join the RPP, each eligible employee must join the plan online. If a plan member is unable to access the enrolment process online, they must complete a paper Application for membership.

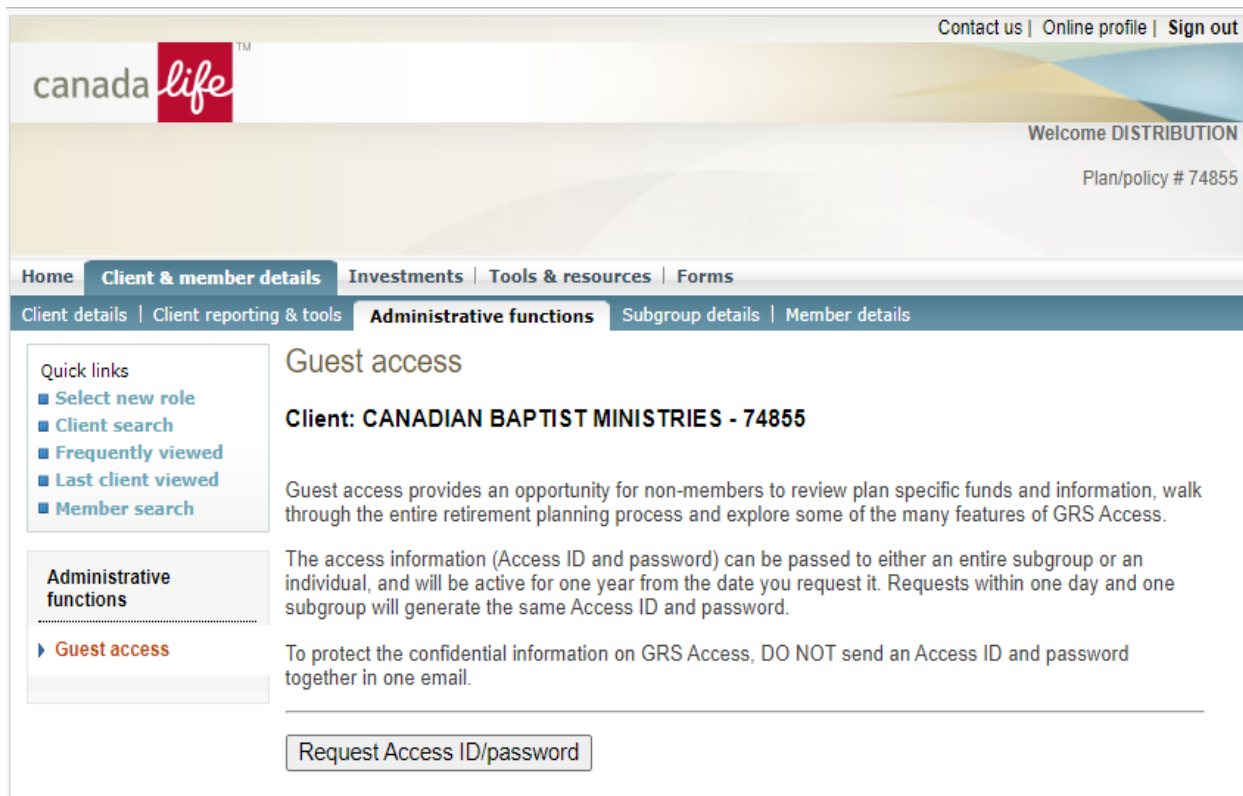

See the **Online Enrolments** section below for more information about how a new member can join the plan online. Paper enrolment forms are described later in this guide, under **Forms You Will Need**.

### Online enrolments (*Enrolment express*)

Plan members use Enrolment express to complete the enrolment process by logging onto [www.mycanadalifeatwork.com](http://www.mycanadalifeatwork.com). Treasurers use [www.grsaccess.com](http://www.grsaccess.com) to approve the pending enrolments in the pension plan.

A unique member ID will be created by Canada Life as each member joins the plan and establishes an account. This ID is referred to as the member's certificate number.

1. The Treasurer will provide a new plan member with a Guest access ID and password, generated via Guest access on [www.grsaccess.com](http://www.grsaccess.com) at **Client & member details > Administrative functions > Guest access**.

The screenshot shows the GRS Access web application interface. At the top right, there are links for "Contact us", "Online profile", and "Sign out". The Canada Life logo is on the left. A welcome message reads "Welcome DISTRIBUTION" with "Plan/policy # 74855" below it. A navigation bar includes "Home", "Client & member details", "Investments", "Tools & resources", and "Forms". Below this, a sub-navigation bar highlights "Administrative functions" and includes "Client details", "Client reporting & tools", "Subgroup details", and "Member details".

The main content area is titled "Guest access" and shows "Client: CANADIAN BAPTIST MINISTRIES - 74855". It contains the following text:

Guest access provides an opportunity for non-members to review plan specific funds and information, walk through the entire retirement planning process and explore some of the many features of GRS Access.

The access information (Access ID and password) can be passed to either an entire subgroup or an individual, and will be active for one year from the date you request it. Requests within one day and one subgroup will generate the same Access ID and password.

To protect the confidential information on GRS Access, DO NOT send an Access ID and password together in one email.

At the bottom, there is a button labeled "Request Access ID/password".

On the left side, there are two panels: "Quick links" with items like "Select new role", "Client search", "Frequently viewed", "Last client viewed", and "Member search"; and "Administrative functions" with a sub-item "Guest access".

When the Guest access ID/password has been generated through the website, you will provide the ID and password to the new plan member. The member will follow the steps listed below to access the Canada Life website and join the pension plan.

The new plan member will then visit [www.mycanadalifetatwork.com](http://www.mycanadalifetatwork.com), select

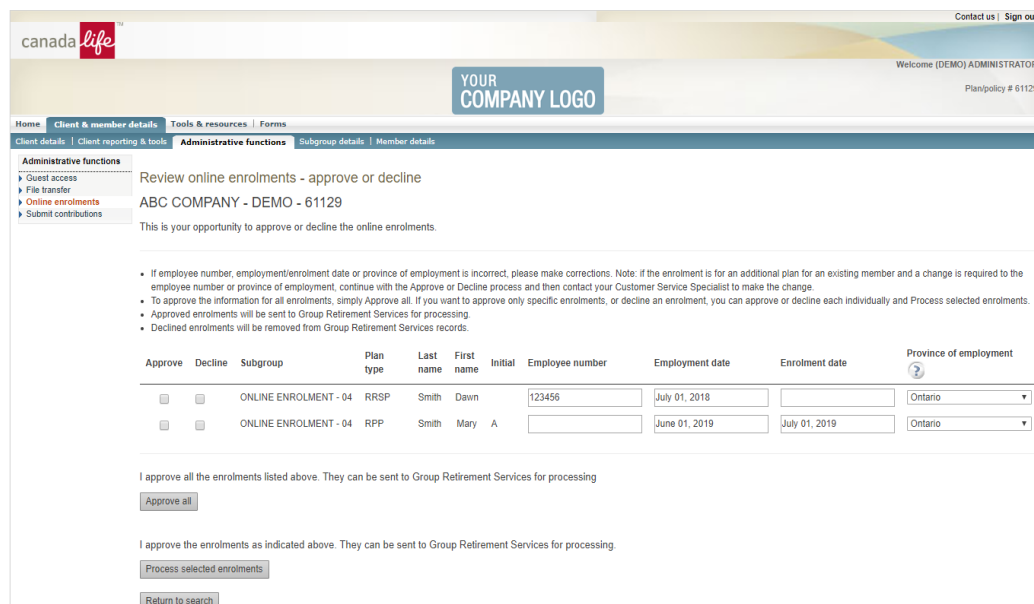

**Enrolment express > Register** to create their own logon ID and password, select the pension plan as the plan they want to join, and they will enter their information online.

After the plan member has joined the pension plan, they will have access to join the TFSA online, under the same policy. More information about joining the TFSA is located in the **Helpful References and Information for Plan Members** section of this guide.

2. **As Treasurer**, you must verify and approve the online application form for new members who are joining the pension plan. When approving an enrolment the Treasurer is prompted to provide an enrolment date, an employment date and/or an **\*employee number** for each applicant if the information was not completed by the applicant during enrolment.

These are all optional fields for the new member to complete however, the fields are mandatory in order to complete approval. The information entered by the Treasurer will override the new member's submission. The province of employment field is a mandatory field for the applicant to complete; however, the Treasurer can update it during the approval process.

**\*Note:** As Canada Life will automatically generate a member certificate number upon the successful enrolment of the new member, input **the letter A** in the **employee number** field during the approval process. This letter will be disregarded when the member certificate number is generated. Once the approval process is complete, the new member's information will be loaded to the Canada Life administration system.

## Member Contributions

Employers and Plan Members each contribute 6% of the Member's monthly earnings to the Plan for a total of 12% to be remitted to Canada Life each month.

Plan Members may also make Additional Voluntary Contributions (AVCs). There is no matching Employer contribution with AVCs. Since the AVC amount must be recorded on the T4 for tax purposes, a member on an unpaid leave may not make an AVC.

AVCs impact the yearly contribution limit to retirement savings plans. Plan members are allowed to shelter up to 18% of their earned income in their Pension Plan and RRSP savings. Plan members are responsible to make sure they do not over contribute.

AVCs can be done through monthly payroll deductions or through a lump sum/ periodic payment by advising the Treasurer.

**Please ensure that the member has enrolled prior to sending in contributions.**

If a plan member is on a leave from work and contributions to the pension plan are going to stop temporarily, notify your Canada Life Customer Service Specialist team, using [grscbpp@canadalife.com](mailto:grscbpp@canadalife.com). Include the word "Savings" in your email subject line.

## Sending in plan contributions

Contributions for the previous month must be sent to Canada Life by the 10<sup>th</sup> day of the following month. For example, February contributions must be submitted by March 10<sup>th</sup>. There is one exception to this process - **Canada Life must receive December contributions by December 31<sup>st</sup>** to ensure the amounts are reported in annual member statements which are issued shortly after year-end. Also, if you are sending in contributions for multiple months, please ensure that each month is processed separately (online) or multiple listings are included with the cheque.

Treasurers can remit contributions to Canada Life using one of two methods: 1) Online Sponsor Contributions or 2) through a file upload using [www.grsaccess.com](http://www.grsaccess.com). If you do not have access to these online methods, option 3 can be used to mail a paper contribution file to Canada Life.

In this section, you will see the step by step process to use either one of these online options.

---

*Important: To ensure same business day processing, contributions must be received by Canada Life, no later than 3pm ET. Contributions received after 3pm ET will be processed the following business day.*

---

### Option 1: Online Sponsor Contributions

#### *Submitting contributions online: directly to member accounts*

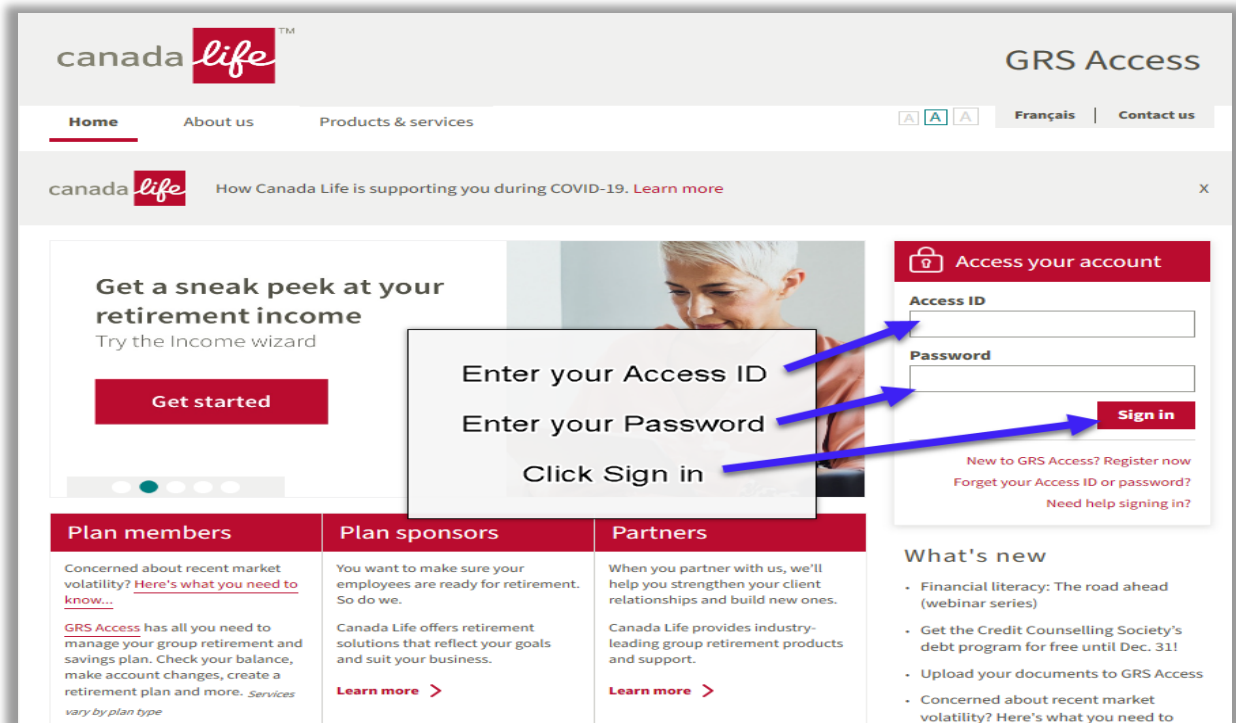

This feature allows you to submit contributions directly to member accounts, online via [www.grsaccess.com](http://www.grsaccess.com). Important to note, online contributions must be remitted by the Treasurer each month; it will not automatically occur.

To set up this process Canada Life requires your banking information. The client authorization form as well as a job-aid with details on how to submit contributions online can be found on [www.grsaccess.com](http://www.grsaccess.com) under **Forms > Printable forms > Employer/Plan Sponsor Forms > Online sponsor contributions**.

#### *How to access online sponsor contributions*

As Treasurer, you should have already received your login and password confirmations in two distinct letters.

1. Go to GRS Access ([www.grsaccess.com](http://www.grsaccess.com))
2. Enter your Administrator **Access ID** as indicated in the first letter
3. Enter your **Password** as indicated in the second letter
4. Click **Sign in**

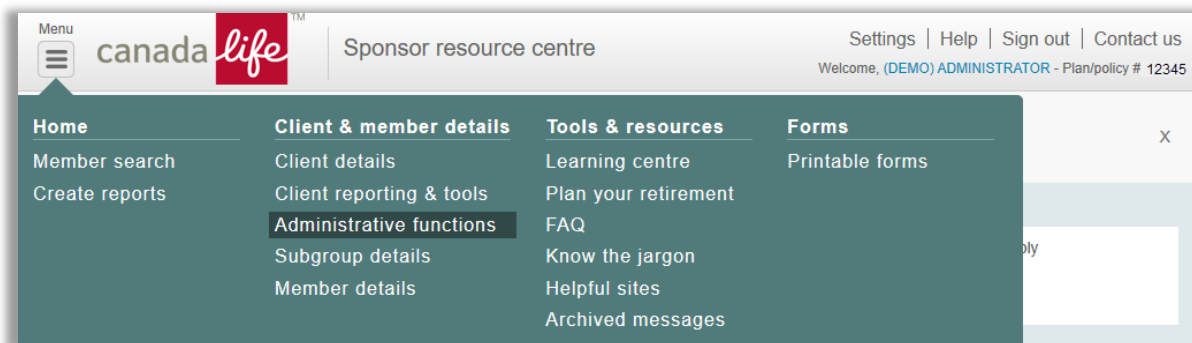

Once signed in:

5. Click **Menu** to open the menu items

From the **Client & member details** column:

6. Click **Administrative functions**

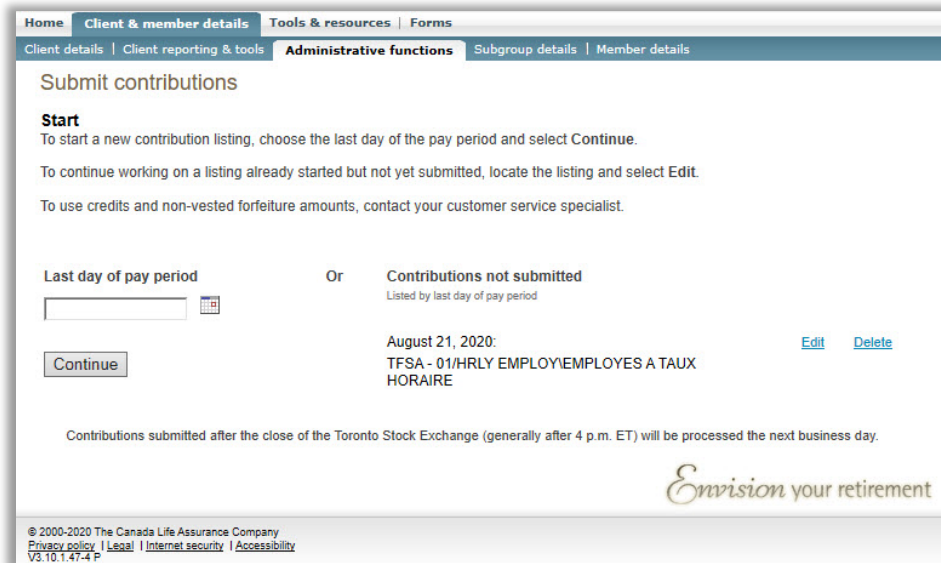

The **Administrative functions** screen appears.

7. Click **Submit contributions**

### How to submit contributions for members:

From the **Start** screen of the **Submit contributions** page:

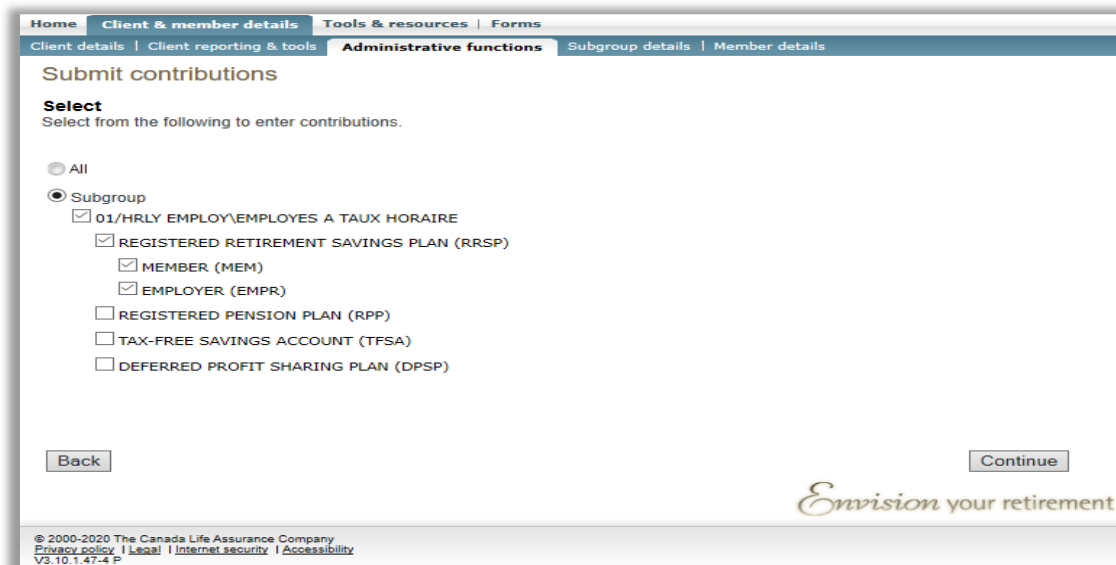

1. Enter the **Last day of the pay period** for the contribution you're submitting by using the calendar to select the date
2. Click **Continue**

The screenshot shows the 'Submit contributions' page with the 'Start' section. It includes instructions on how to start a new contribution listing, continue an existing one, or use credits. There is a date selection field for the 'Last day of pay period' and a 'Continue' button. A table lists a contribution for 'August 21, 2020' with details 'TFSA - 01/HRLY EMPLOY\EMPLOYES A TAUX HORAIRE' and 'Edit'/'Delete' links. A note at the bottom states that contributions submitted after the close of the Toronto Stock Exchange will be processed the next business day. The footer includes the Canada Life logo and copyright information.

The **Select** screen appears.

3. Select **All** to submit a contribution for all available plans, or select **Subgroup** to submit a contribution for specific subgroups and/or plans
4. If you select **Subgroup**, check the appropriate subgroups, plans and accounts
5. Click **Continue**

The screenshot shows the 'Submit contributions' page with the 'Select' section. It asks the user to select from the following to enter contributions. There are radio buttons for 'All' and 'Subgroup'. Under 'Subgroup', there are checkboxes for various plans: '01/HRLY EMPLOY\EMPLOYES A TAUX HORAIRE', 'REGISTERED RETIREMENT SAVINGS PLAN (RRSP)', 'MEMBER (MEM)', 'EMPLOYER (EMPR)', 'REGISTERED PENSION PLAN (RPP)', 'TAX-FREE SAVINGS ACCOUNT (TFSA)', and 'DEFERRED PROFIT SHARING PLAN (DPSP)'. There are 'Back' and 'Continue' buttons. The footer includes the Canada Life logo and copyright information.

The **Enter contribution** screen appears.

6. Enter contributions for each active member in the appropriate plan/account column
  - a. If you want to use the amounts that were saved previously, click **Use saved contribution amounts**
  - b. If you want to delete information in the table and enter new information, click **Clear contribution amounts**
  - c. If you want to customize your display, click **Customize display**. A box will appear with the following options:
    - i. Display social insurance number (SIN)
    - ii. Display subgroup
    - iii. Display certificate number
    - iv. Once you make a selection, the contribution screen will display that option.
  - d. Scroll down to see more members, if applicable.
7. Click **Save** to save any unsaved contributions
8. When all contributions have been entered, click **Continue** to save contributions and to move to the next screen

---

*NOTE: If you click the Back button, any unsaved contributions will be lost.*

*A scroll bar will appear if the members listed can't fit on the screen. However, the scroll bar won't have a top arrow. If there are too many members, the scroll bar will become very small and can disappear under the header row. However, the scroll bar will appear if you use the bottom arrow or if you use the mouse to scroll.*

*A single contribution amount cannot exceed \$99,999.99.*

Click **No** – you'll be returned to the existing page with the listing remaining on the page
4. Start a new contribution or edit a contribution that you haven't submitted

## Or option 2: Submitting contribution files to Canada Life

Upload through [www.grsaccess.com](http://www.grsaccess.com)

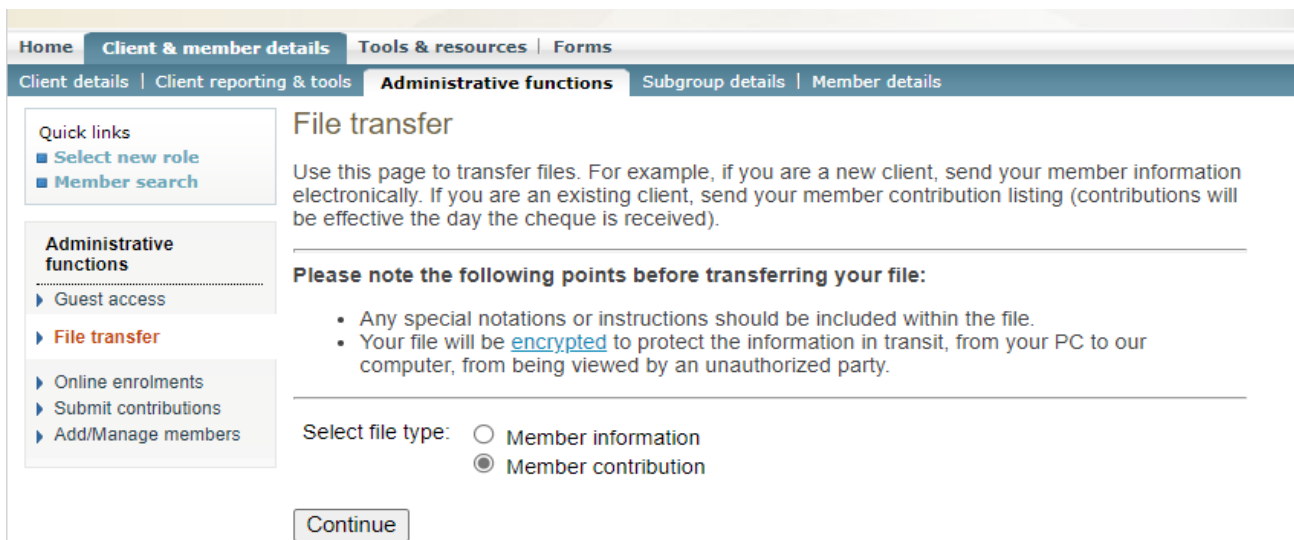

With each payment of plan contributions, Canada Life requires basic information to allocate the payment to the plan members – see sample remittance on page 12.

- Policy/plan number
- Time period the remittance covers
- Member name
- Social Insurance Number
- Contribution amount by member broken down by contribution type (member required, member voluntary and employer)
- Total amount of remittance

You can provide this information in an excel spreadsheet and transmit electronically through the Canada Life website.

To send the contribution listing electronically, use the file transfer process available on [www.grsaccess.com](http://www.grsaccess.com) > **Client & member details** > **Administrative functions** > **File transfer**.

Send your cheque the same day if you are not using direct debit. If you are using direct debit, Canada Life will debit the amount of your contribution remittance from your corporate bank account. You do not need to notify Canada Life about the direct debit process each time a file is sent through the website.

TOTAL REMITTANCE* \$\$750.00				
<b>*Include the total amount of your remittance</b>				

**Option 3:**

If a Treasurer is not able to remit contributions online using either method described in this section, mail the paper contribution file and corresponding cheque to Canada Life at the following address:

**Canada Life**  
**Group Retirement Services, R1052-S7**  
**330 University Ave**  
**Toronto, ON M5G 1R8**

## Additional Voluntary Contributions

Members may choose to make additional voluntary contributions to the pension plan through regular payroll deduction or by providing a cheque to the Treasurer. A member's T4 must include voluntary contributions in both registered pension plan contributions and pension adjustment amounts.

Additional voluntary contribution funds can be remitted by the Treasurer in the same way as the member required/employer contributions as noted above as options 1, 2 or 3.

## Inform Canada Life of a member's termination date

If a member's employment has been terminated, you'll need to advise us of their termination date and indicate when you're submitting the member's final contribution. The final contribution may be submitted after you've advised us of their termination date.

From the **Enter contributions** screen:

1. Select the member's name
2. Use the calendar to fill in the **Employment termination date** field
3. Select the **Final contribution** check box if the contribution is the last one
4. Click **Save** to save any unsaved contributions
5. Click **Continue** to save the termination date/final contribution and move to the next screen

## Reporting

### Contribution reminder process - Delinquency Reporting

Canada Life will reach out to the Treasurer if a contribution is not received for a specified church/plan member as expected. The delinquency reporting contains information about plan members who have not received employer/member contributions and it will indicate the month(s) where Canada Life has not received contributions as expected.

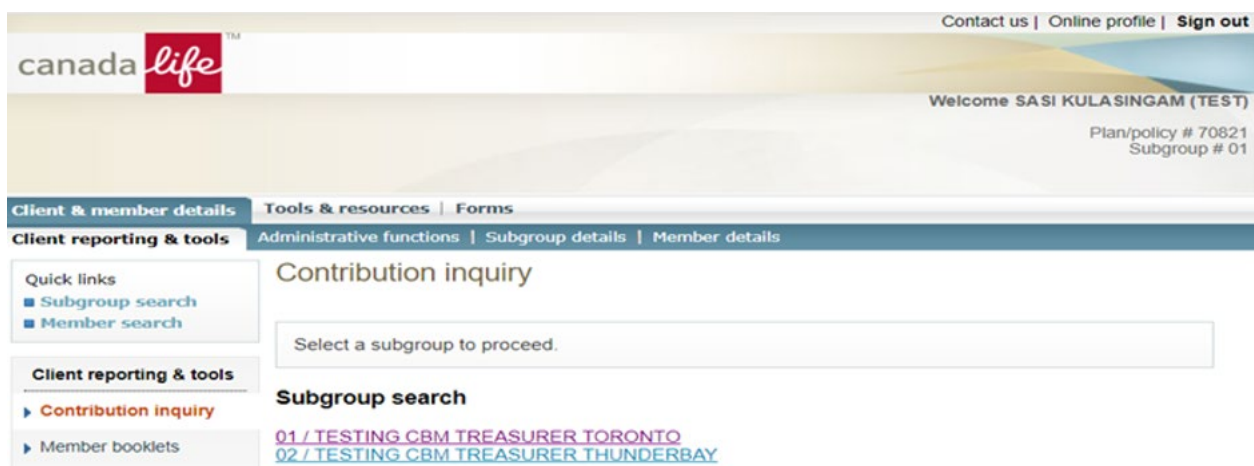

Step one - at 60 days: A reminder email is sent to the Treasurer. Contributions are now outstanding for up to 65 days from the date the contributions were supposed to have been remitted

Step two - at 75 days: If contribution is not received, a second reminder email is sent to the Treasurer. Regional Office and CBBenefits Management is copied on the email. Contributions are now outstanding for up to 75 days from the date that the contributions were supposed to have been remitted

Step three - at 90 days: Under pension legislation, Canada Life is required to report overdue/unremitted contributions to the Financial Services Regulatory Authority of Ontario (FSRA). This is the government regulatory body that oversees pension plan administration. This could result in the de-registration of the Pension Plan; therefore, it is important for you to ensure this situation never occurs.

### Contribution reporting

After logging into [www.grsaccess.com](http://www.grsaccess.com) select Client Reporting & Tools→Contribution inquiry→select your church division→select pension plan→indicate the contribution period.

The screenshot shows the Canada Life GRS Access website interface. At the top, there is a navigation bar with links for "Contact us", "Online profile", and "Sign out". Below this, a welcome message reads "Welcome SASI KULASINGAM (TEST)" with "Plan/policy # 70821" and "Subgroup # 01" displayed. The main navigation menu includes "Client & member details", "Tools & resources", and "Forms". Under "Client reporting & tools", there are links for "Administrative functions", "Subgroup details", and "Member details". A sidebar on the left contains "Quick links" for "Subgroup search" and "Member search", and "Client reporting & tools" for "Contribution inquiry" and "Member booklets". The main content area is titled "Contribution inquiry" and features a text input field with the placeholder "Select a subgroup to proceed." Below this is a "Subgroup search" section with two links: "01 / TESTING CBM TREASURER TORONTO" and "02 / TESTING CBM TREASURER THUNDERBAY".

This will provide the confirmation on whether you have sent in the contributions.

## Annual pension plan audit

Annually, external auditors for the pension plan randomly select approximately 30 churches and compare contributions recorded in the church's payroll register to the remittances recorded by Canada Life. If your church is selected, you will be contacted and asked to complete/return a Confirmation of Salary and Remittance of Pension Contributions Form.

Since this is part of an important process, ensure to complete/return the form promptly.

If the auditors find a discrepancy in any information, the item will be investigated, and corrective action will be taken as required.

## Changing member information

During an employee's membership in the pension plan, specific member information may change. To ensure that Canada Life's records are accurate and up-to-date, plan members should update their information on [www.mycanadalifeatwork.com](http://www.mycanadalifeatwork.com) any time a change is required. Plan members can also call Canada Life at 1-833-900-3853 weekdays between 8am and 8pm ET to make changes to their information.

If a plan member does not have the ability to update their information online and they prefer to mail a paper change form, Treasurers can provide a printed form located on the Canada Life website at [www.grsaccess.com](http://www.grsaccess.com) for the member to complete and mail to Canada Life. See the section below called **Forms You Will Need** for more information.

## When a member retires

When a member elects to retire, notification can be sent to Canada Life using [www.grsaccess.com](http://www.grsaccess.com). Click **Member details>Terminate Employment**, then complete the termination date and select **Retirement** as the reason for termination.

If you prefer using email, notify your Customer Service Specialist with the retirement date for a plan member, at [grscbpp@canadalife.com](mailto:grscbpp@canadalife.com). Include the word "Savings" in your email subject line.

Plan members should consider speaking with a Canada Life investment and retirement specialist within 6 months of their upcoming retirement date, to help with financial decisions related to their pension plan balance. Members can call Canada Life at 1-833-900-3853 weekdays between 8am and 8pm ET.

Upon receipt of the plan member's retirement effective date, Canada Life will prepare a detailed package for the member outlining the options available. Once the member has made a decision and returned the required documents to Canada Life, the election will be processed as quickly as possible.

If a retiring member does not make an election to move their pension money from the plan after the options package has been sent, their account will remain in the pension plan until the member makes a request to transfer it, or until the member reaches age 71, when the account balance will automatically be transferred to the Income Plan for Canadian Baptist Ministries, policy # 74856.

Members who choose to be actively employed past their 71<sup>st</sup> birthday, must stop pension contributions and make an election prior to the December 31<sup>st</sup>, of the year in which they turn age 71, or their account balance will automatically be transferred to the Income Plan for Canadian Baptist Ministries, policy # 74856 and they must begin to draw income from it.

## When a member terminates employment

When a member has left your employment, notify Canada Life by using [www.grsaccess.com](http://www.grsaccess.com). Click **Member details>Terminate Employment**, then complete the termination date and select **Termination of Employment** as the reason for termination.

If you prefer using email, notify your Customer Service Specialist with the termination of employment date for a plan member, at [grscbpp@canadalife.com](mailto:grscbpp@canadalife.com). Include the word “Savings” in your email subject line.

Upon receipt of the plan member’s termination effective date, Canada Life will prepare a detailed package for the member outlining the options available. Once the member has made a decision and returned the required documents to Canada Life, the election will be processed as quickly as possible.

If a terminating member does not make an election to move their pension money from the plan after the options package has been sent, their account will remain in the pension plan until the member makes a request to transfer it, or until the member reaches age 71, when the account balance will automatically be transferred to the Income Plan for Canadian Baptist Ministries, policy # 74856.

## When a member dies

If a member of the group retirement savings plan dies, notify Canada Life using [www.grsaccess.com](http://www.grsaccess.com). Click **Member details>Terminate Employment**, then complete the date field and select **Death** as the reason. Any contributions made by the member or on their behalf prior to the date of death must be submitted.

If you prefer using email, notify your Customer Service Specialist with the death date for a plan member, at [grscbpp@canadalife.com](mailto:grscbpp@canadalife.com). Include the word “Savings” in your email subject line.

Upon receipt of the plan member’s date of death, Canada Life will contact the beneficiary to provide a summary of options available and ask for any additional information or forms required.

## Government Reporting (RPP)

### Completing a T4

Canada Revenue Agency (CRA uses the pension information on a T4 slip to determine the plan member's taxable income and RSP contribution room.

**Box 20** – this is the total amount of regular pension contributions the plan member (employee) made during the previous year. This includes employee required and employee voluntary contributions (Additional Voluntary Contributions or AVC)

**Box 50** – Canadian Baptist Pension Plan registration number with is 0345769

**Box 52** – total member (member required and member AVC) and employer contribution

## Helpful references and information for plan members

### Plan Member Guides

Members get personalized one-on-one guidance from member guides. They can help your employees understand what their coverage is and what their plan includes.

From enrolment to retirement and beyond, member guides are there to build ongoing and lasting relationships with your employees, engaging them on a continuous basis through their life to help ensure their needs are being met.

For many Canadians, retirement is one of the most complex financial decisions they'll need to make.

Canada Life's investment and retirement specialists are salaried professionals, which means they'll help your plan members make decisions that work for them. Each specialist has extensive expertise in financial services. They have industry-recognized financial designations and life insurance licenses.

Members can get in touch with a specialist by email at [retirementready@canadalife.com](mailto:retirementready@canadalife.com) or call 1-833-900-3853, weekdays from 8 a.m. to 8 p.m. ET. Members can also book an appointment with a plan member guide using <http://canlife.co/cbbenefits> (or [http://canvie.co/cbbenefits\\_fr](http://canvie.co/cbbenefits_fr) for French).

*What's available for members at [www.mycanadalifeatwork.com](http://www.mycanadalifeatwork.com)*

Your members will have access to:

- View and change their personal information (name, address, email, phone, etc.)
- Review their plan information (type of plans, investment options available, etc.)
- Access interest rates and net unit values for investment options available to their plans
- Add or change their plan beneficiary
- Perform online withdrawals if the plans permit
- Access fund reviews and fund reports available to their plans
- View a breakdown of their current investments by plan and account
- View and change their future and maturing investment allocation instructions
- Submit a request to transfer investments between investment options
- Order plan statements for a specified time period
- Walk through the entire retirement planning process – assess the cost of retirement, discover their investment personality, and select their investment option

### Booklets

Canada Life produces member booklets, outlining the specific plan details. Member booklets are posted online for members to access any time. Booklets can be found at [www.mycanadalifeatwork.com](http://www.mycanadalifeatwork.com) under **Info Centre for savings > Tools and Resources > Planning and Learning > Member Booklets**.

## Member enrolment in the TFSA

To join the TFSA, each eligible employee must join the plan online. If a plan member is unable to access the enrolment process online, they must complete a paper Application for membership.

See the **Online Enrolments** section for more information about how a new member can join the plan online. Paper enrolment forms are described in this guide, under **Forms You Will Need**.

## Identifying a member – Certificate number

A unique member ID will be created by Canada Life as each member joins the plan and establishes an account. This ID is referred to as the member's certificate number. A member's certificate number is the same for their pension plan and their TFSA.

## Member transfers from other plans

Members have the option of transferring assets from other personal/registered plans, into their RPP or TFSA available through Canada Life.

Transfers from another plan can be made by using the applicable **Transfer authorization form** located on the Canada Life website. Treasurers can access these forms and print a copy for plan members through [www.grsaccess.com](http://www.grsaccess.com) > **Forms > Member Change Forms** if the member does not have access to the form online themselves.

## Changing a beneficiary or successor holder appointment

If a plan member wishes to change the beneficiary/successor holder appointed to receive the death benefits under the plan, the member should make updates online at [www.mycanadalifeatwork.com](http://www.mycanadalifeatwork.com).

Online, members can also appoint:

- A contingent beneficiary/successor holder, to receive the death benefits if the beneficiary predeceases the member
- A trustee, which is required for all beneficiaries/successor holders under the age of 18

If a plan member does not have the ability to make the update online, Treasurers can access these forms and print a copy for plan members through [www.grsaccess.com](http://www.grsaccess.com) > **Forms > Member Change Forms**.

## Changing Member investment options

Members of the plan have the option of making changes to their investment direction. To make a change, members should complete the transaction on [www.mycanadalifeatwork.com](http://www.mycanadalifeatwork.com).

If a plan member does not have the ability to make the update online, Treasurers can access these forms and print a copy for plan members through [www.grsaccess.com](http://www.grsaccess.com) > **Forms > Member Change Forms**.

Members may also call Canada Life at 1-833-900-3853 weekdays between 8am and 8pm to make investment changes.

### **Member statements**

Each member of the plan will receive a semi-annual member statement which outlines:

- Contributions received
- Reinvestments
- Transfers between investment options
- Fund values
- A personalized rate of return
- A schedule of upcoming reinvestments in the guaranteed investments
- Current non-financial information (such as beneficiary and date of birth)

Plan members should review these statements carefully. If changes to plan member information is required, call Canada Life at 1-833-900-3853 weekdays between 8am and 8pm ET.
