

SOCIETY CLASSIFICATION CHECKLIST

Section 3(1) of the Societies Act limits the purpose for which a society can be incorporated to the enumerated list. The allowable purposes include religion. The Society Classification Checklist serves as notice to the Registrar of Joint Stock Companies that the society falls within the allowable group. Further, the information will be used by the Registrar to gain a better understanding of the nature of non-profit societies in the Province.

INSTRUCTIONS FOR COMPLETING SOCIETY CLASSIFICATION CHECKLIST

1. Insert the society's name on the first line.
2. Check the box marked "Religion".

Society Classification

(society name)

Please review the following list and check off the classification that best describes the main activities of your organization. To gain a better understanding of the nature of non-profit societies, and as part of efforts to understand the overall impact of volunteerism in the Province, we are asking that groups classify their main activities using the International Classification of Non-Profit Organizations.
