

Will you join God in changing Atlantic Canada one neighbourhood at a time?

Important Notice regarding the COST of LINK starting in 2016

Hello Clergy Families,

We are so thankful for you – for all the ways you invest in your own families, your churches, ministries, and communities. We continue to be here to support you and help you join God's activity in your neighbourhoods.

LINK has been giving teens an escape weekend for 11 years!

LINK is place for clergy teens to get away, have fun, and connect with others who are experiencing similar things.

For the last 11 years we have been able to offer LINK free to teens with a clergy parent in our CABC family. Starting in 2016 we will be charging a small amount to help offset some of the costs of the event. We still very much value you and want to give your teens an amazing weekend away, however in today's financial realities and ensuring we are being good stewards of the opportunities God gives us, it is time for us to pass on a portion of the cost to you. It will still be heavily subsidized by the CABC. LINK will continue to be a weekend retreat at a camp, providing all meals, accommodations, leaders and activities.

Starting in 2016 the cost for LINK will be:

\$40 for the first child attending LINK,

\$30 for every additional child attending LINK.

Please let us know if you have any questions about this.

Thank you so much for understanding.

We encourage you to invite your church to cover the cost of LINK for your children.

We look forward to our continuing partnership and ministry together in Atlantic Canada.

In Christ,

Rev. Renée Embree

CABC, Director of Youth & Family Ministries
