Pre-Authorized Giving

Pre-authorized giving is a convenient way of giving to your church on a regular basis throughout the year, even when you cannot be present for a period of time.

The work and expenses of the church continue whether you are there or not.

If you are ill or aged and find it difficult to get to church, or are away for a number of months on vacation or work, this system may be of help to both you and your church.

You will no longer need to write cheques and mail them, or find someone to take them to church for you.

Each week your church offering will be automatically transferred from your bank account.

Of course, you can always continue to use your Church offering envelopes for Special Occasions or additional giving.

Secure

You know your offering to the church is always received directly by the church.

A record of your donation will appear on your bank statement or passbook.

Simple

Decide how much you wish to give, fill in the Authorization Form, send it to the church and we will take care of the rest.

- On the Authorization Form, indicate how much you would like to give and the frequency.
- Enclose a blank cheque marked "VOID". This will be used by the bank for verification.
- Return the completed Authorization form and the blank cheque to the church.
- We will transfer the donation each week.
- You can stop a donation or cancel at any time by notifying the church in writing.
- You may increase or decrease the amount at anytime by notifying the church in writing.
- **Your local church will issue an annual tax receipt for your church donations.**
